Credit union offers a lot

BRISTOL

UBI, A Community Federal Credit Union, offers a number of services with several different membership options in three area locations.

The credit union, which has locations in Bristol, Plainville and Kensington, is open to individuals who live, work, worship or attend school in Hartford County.

Membership options include single, joint, family and retirement, according to the credit union's website. Accounts can be opened as a personal or youth account.

UBI can also help with loans for vehicle/marine, personal or home equity. Credit cards can also be applied for.

Other services include money market accounts, IRAs, as well as insurance services that include life, auto, property or health insurance.

UBI lobbies in Plainville and Berlin have reopened in a limited fashion, the company's website states. Lobbies in those locations had been closed during the pandemic until October. The Bristol lobby never closed, according to the site.

UBI's website states the company still prefers customers use the drive-thru service lanes, "which in turn provides optimum

health protection for both yourself, and our staff."

Those who do enter a lobby will be required to wear a mask and will be subject to a temperature check, the site continued. Anyone without a mask or a temperature above 99.4 degrees will be denied entry and asked to use the drive-thru, according to the site.

Additionally, UBI's website states, lobbies have been marked for social distancing. Customers have been asked to stay out of the areas marked by blue tape unless requested by an employee to enter these areas.

Anyone entering a lobby has been asked not to bring multiple people. Children should be kept

close by and not allowed to wander the area, according to the website.

Transactions involving account opening, loan applications and closings, wire transfers and fraud reports still require an appointment, which can be made by calling 860-747-4152.

"It is important to note that all of these can be started online and after you complete them, we will typically contact you to come in if needed," UBI states on its website.

UBI locations include 120 Woodford Ave., Plainville; 40A Chamberlain Highway, Kensington; and 363 N. Main St., Bristol.
